

## **I WANT TO GO ON VACATION TOO! TAKE ME TO CAPE SAN BLAS, FLORIDA, AND WE CAN ALL HAVE A GREAT TIME!**

Escape to Cape San Blas – Voted the #1 Dog-Friendly Beach in America by K9 Magazine!

From [www.k9magazine.com](http://www.k9magazine.com):  
#1) Cape San Blas, Florida

Just 35 miles south of Panama City, but feeling as if it is worlds away, Cape San Blas beaches are peaceful, not overdeveloped; in fact, you can sometimes walk a mile or two in the off season without seeing another dog...or person. The state park at the end of the cape was recently named Best Beach in America by Dr. Beach (a real person, not a doggie...but most doggies would agree).

## **OUR PET-FRIENDLY ACCOMODATIONS PAMPER YOUR WHOLE FAMILY!**

- Pet-friendly beach with no restrictions on hours of use.
- Pet-friendly homes and townhomes for you and your family to enjoy
- Many extras you won't find in other Cape San Blas rentals: linens, towels, beach chairs, high-speed internet, and starters of laundry soap, dishwashing soap, paper products and much, much more.
- A variety of locations, views and price ranges!

We were guests before we were owners, and now we manage our properties as well as others. We've "been there, done that" and know what it takes to make a great vacation rental experience for our guests. We care about the homes you'll be staying in and we care about YOU! Please visit our website at [www.RentCSB.com](http://www.RentCSB.com) and check out what we have to offer. There's even a live beach cam and the option to sign up for information on last-minute specials or new properties. Why not Escape to the Cape for a family vacation that's sure to give you and your dog a howling good time!
